### **CENTURY BANK ANNOUNCES OPENING OF NEW MEDFORD HEADQUARTERS AND MAIN OFFICE BRANCH**

**Medford, Ma, FEBRUARY 1, 2005** --- Century Bank and Trust Company (“Century”), a wholly-owned subsidiary of Century Bancorp, Inc. (NASDAQ: CNBKA) ([www.century-bank.com](http://www.century-bank.com)) is pleased to announce the opening of its new Medford Headquarters and Main Office Branch. Century Bank’s Corporate Offices have been expanded into a new Tower, located adjacent to its current headquarters at 400 Mystic Avenue in Medford. Additionally, its Main Office Branch has been relocated to the first floor level of the Tower.

The new 50,000 square foot state-of-the-art banking facility occupies five floors and houses a combination of open plan and private corporate space to accommodate future growth. Century Bank desired a new flagship that reflected its position as a leader in the financial industry and enhanced its corporate space to improve efficiency and communication. James M. Flynn, Jr., Senior Vice President, who served as Project Manager stated, “This modern, well designed space has been transformed into a personalized corporate office environment allowing our customers and Associates to feel very much at home.”

The Tower’s glass design allows for bright, 360° views of the city of Boston, MA, and provides convenient access to its customers. “We are very excited and proud to continue our success in better serving our customers as we have for more than 35 years,” commented Marshall M. Sloane, Founder, Chairman and Chief Executive Officer of Century Bank.

The design scheme for the newly relocated Main Office Branch incorporates a central retail center into Century Bank’s corporate floor plan, thereby responding to the customer’s need for an efficient banking facility that will better meet and exceed all of their financial needs.

Century Bank and Trust Company, a wholly-owned subsidiary of Century Bancorp, Inc., is a state chartered full service commercial bank, operating twenty-two full-service branches in the Greater Boston area, and offers a full range of Business, Personal, and Institutional Services.
